

# 2010-2011 Meet Cancellation Form

Mini-Hops Gymnastics assumes that all team gymnasts will compete at all scheduled meets unless the Head Coach has let you know they are not ready to compete. In this case when your child is ready to compete she/he will be registered for all subsequent meets in that season.

Mini-Hops will register for meets two to four months in advance to guarantee participation and to obtain the cheapest fees possible. If the Meet Cancellation form is completed and signed before the club registration form is mailed, and we agree that the cancellation is acceptable (for family, school or religious reasons,) Mini-Hops will not register your gymnast for the meet. If the club registration form has been completed and mailed, Mini-Hops *may* try to obtain a refund from the host gym. If the host gym refuses to refund the fee, you will be responsible for paying the meet fees. The closer the cancellation is to the meet itself, the less likely it is that you will receive a refund. Please remember that in some cases a host gym will not even refund for illness or injury.

If a gymnast will not be competing at a meet because of a church, school or family function a parent or guardian must complete the following form before Mini-Hops can begin the cancellation procedures necessary to remove a gymnast from a meet. This form will ensure accurate and complete communication between you and your coaches at Mini-Hops Gymnastics.

## **Verbal meet cancellations with a coach are not honored!!**
