"You may have already learned of the 25% customer appreciation discount..."

Mini-Hops Gymnastics is a non-profit organization that was founded in 1976. Our goals are to serve this community and provide so much more than gymnastics to children and their families. We strive to shape our community by helping families raise healthy, confident, young people.

We have you to thank for trusting us to help children succeed. We thank you sincerely for your patronage to our business. We thank you for your loyalty and support. We appreciate all who completed

our recent Satisfaction Survey. We were glad to offer a 10% discount in return for your feedback. Your comments and suggestions help us to continually improve our services and offer high quality programs that meet your needs.

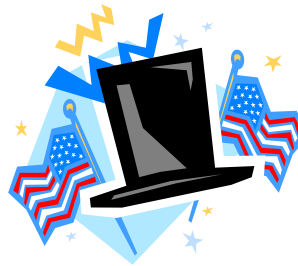

You may have already learned of the 25% customer appreciation discount given to those who have been enrolled in Terms 1, 2, 3, 4 and are re-enrolled for term 5. We hope this discount encourages you to

continue enrolling your child(ren) at Mini-Hops. We understand the importance of discipline, repetition and determination when learning any challenging skill. We know that through gymnastics children will learn that these challenges will help them to do anything they choose in life. We cultivate the attitude, "If I can do this, I can do ANYTHING!"

# Mini-Hops Magic Gymnastics Show

**Fun Artistic and Rhythmic Gymnastic Show**

We have an absolute blast at our gymnastics shows! Kids in Lil' Hoppers (ages 3 1/2) through Recreational Level 3/4 and Rhythmic Gymnasts perform for their family and friends. The older kids learn routines on several events that they were able to perform. They demonstrate to their loved ones what they have been working on throughout the year. They even win an award at the end for their hard work throughout this term!

If this sounds like something your child would like to do, there is an opportunity coming up on Sunday, March 25th! The show lasts about an hour and a half. It gives parents an opportunity to take pictures or video of their child doing what they love. And it allows the children to show their stuff and be proud of the hard work they've done each week in class.

**Sunday, March 25th**

**Cost: \$25**

Show times to choose from:  
11:30-1:00 or 1:30-3:00

*Rhythmic Beginner/Intermediate are invited to the 11:30-1:00pm show. Rhythmic Advanced to the 1:30-3:00pm show.*

For boys & girls in Lil' Hoppers (age 3 1/2) through Recreational Level 3/4 and Rhythmic. Must be enrolled in Term 4.

Must pre-register, no refunds.
