

# Mini-Hoppers Classes for Preschool Age

18 months - 5-1/2 years old

## New Class Names

For preschoolers, acquiring healthy learning attitudes is far more important than mastery of a specific skill. The Mini-Hoppers curriculum is carefully designed for exactly what children need most during their formative years. At MHG, the fun and challenging sport of gymnastics is used as a tool to teach important life lessons that will enhance their ability to learn and progress through life's challenges.

We have the same experienced, caring staff. The same high-energy, fun-filled gymnastics classes, just with a new twist on the name.

# MHG Gym Jam Progressive classes for boys girls 6 year olds +

## Giving Children a Jump on LIFE for 34+ years!

Our Progressive class program continues to be well known around the area for it's fun non-competitive, FUN nature. This year we have made improvements to the USAG based Jr. Olympic program curriculum that better suits the needs of your gymnasts. We have added an additional class and renamed all of our entry levels to improve the foundation of their gymnastics skills and abilities. For our clients who are returning for the 2010-2011 year, our customer service team will assist you in registering for the correct class. Along with the newly designed curriculum comes a new recognition system that we are excited to share with the children! Same great experienced, caring staff with a new spin on class content!

Students assessments by our professional instructors are available for ideal program placement.

## Need to Know Info:

### 10% Family Multi-Class Discount:

Only one class tuition in your family pays full price. Other children's class tuitions are discounted a full 10%. Sorry there are no sibling discounts with Mini-Hops Mania events.

### Make-Ups:

Term 1-5 Class registration receives one make-up per term, but is not guaranteed and is dependent on availability. The make up must be pre-scheduled within the term for which the absence occurs. Extra make-ups can be scheduled for days missed due to holidays or gym closings. Call our customer service desk in advance to schedule.

**Summer Flex Schedule** Due to the nature of the Summer Flex Schedule, there will be no make-ups, credits or refunds given.

### \$37 Family Registration Fee :

This annual \$37 fee defrays office/administrative, insurance and other non-teaching costs. Note that this fee covers your entire immediate family. This fee is paid upon initial registration and each 12 months thereafter.

### Cancellation Procedure:

We reserve the right to cancel/combine any classes due to low enrollment. If you need to cancel before or during a term a Computer Credit will be issued; to be used towards future lessons. Refunds are given for: Class cancellation by Mini-Hops and serious medical illness only (physicians note required).

### Registration Procedures:

We maintain strict coaching ratios, which is a good thing. We allow 1 make-up per term, which is a great thing. You can register for any term at any time, which is the greatest thing for those busy parents with multiple children in the program. The downside is, our classes fill quickly and we register on a first come first served basis. It is super easy to register, follow the directions below:

- Δ Fill out or call to update your personal information on the registration form (found on line)
- Δ Sign the liability waiver
- Δ mail it in, scan and email it to mail@mini-hops.com, or bring it on in
- Δ call to sign up for the particular classes that fit your schedule
- Δ MHG will take the following forms of payment: check, cash, visa, master card or discover

### Snow/Inclement Weather Closings:

Closing information will be posted on both WCCO.com and 830 wcco.com, you will receive an email and it will appear on our website at www.mini-hops.com on the front page. (Note we do NOT link our closing decisions to any particular school system).

### A Punctuality Plea:

Moms, dads, for the sake of your child as well as the other children, please be on time! Being late is more distressing to your child than most parents realize.

**What to Wear:** Leotards, warm-ups, fitted gym shorts and t-shirts are recommended, barefoot is best in the gyms, long hair pulled back in a ponytail and please remove all jewelry before coming to class.
